Life Changer presents  
Hunyuan Qi Therapy Fundamentals

\*\*\* This program is available with translation to German, Spanish and Dutch.\*\*\*

With Zhineng Qigong Master Yuantong Liu and Britta Stalling

Have you ever wondered how much potential you have for self-healing and empowering you to live your best life? Understanding this innate power and mobilizing your skills to ignite transformation, inner wisdom and awareness from within is highly valuable, and benefits yourself as well as the people around you. We will show you how.

Hunyuan Qi Therapy as part of Zhineng Qigong Science, is a life practice that inexorably leads to improved health, an experience of inner peace, balance, joy and the flowering of inherent wisdom. This self-empowering system does not treat only the symptoms of disease, but addresses maladies at their root. Innate self-healing abilities are activated in a natural and conscious way, vital functions of the body are restored, strengthened and improved from deep within. Hunyuan Qi Therapy is recognized in China as the most effective holistic health and natural Qi energy-healing modality on the planet.

In this 3-week program you will have the opportunity to learn about these fundamental theories, skills, abilities and methods of Hunyuan Qi Therapy based on Zhineng Qigong Science - as they were shared at the medicine-less hospital. We focus on the essence of Qigong Medicine - for your own self-health care management or as a foundation to support others, if you work in the health and well-being environment.

## What you can expect:
